The Trial date is March 16 but they need the info before that to give to defense counsel that is why the date is March 6th for the request form. Any more information you should probably call ADA Martin she is 572-1454 x 4

I just want to make sure that the Westfield office has received the faxed information requested for the [REDACTED] case. Also, I have a question regarding the trial date: the summons I received says the Jury of Six trial is scheduled for March 16, 2010, however the Request for Police Information indicates that the next court date for trial is March 6, 2010. Which is it? Thanks.

Ms. Farak, thank you for getting in touch with me. However, I have (as of this week) been transferred to the appellate division of our office. I would ask you to please get in touch with the Westfield office directly (572-1454) and speak directly with someone in that office. Either the ADA who is still there, Colleen Martin, or the office manager, Deb Shea -- either will be able to give you the correct date. thanks, Deb Ahlstrom

ADA Ahlstrom-

I will be faxing you the information requested for the [REDACTED] trial later this morning - if you don't receive it please let me know. Also, I have a question regarding the trial date: the summons I received says the Jury of Six trial is scheduled for March 16, 2010, however the Request for Police Information indicates that the next court date for trial is March 6, 2010.
